Hiking tips in spring

Barbarossa-Schlucht | Mühldorf leicht ↔ 2,7 km ⌚ 1:30 h

The gorge trail is dedicated entirely to the legend of Kaiser Barbarossa. According to legend, Kaiser Friedrich I, also known as "Barbarossa", rested here in the gorge after one of his crusades. The impressive Barbarossa table, which today serves as a beautiful resting place, is the crowning glory of this hike. Afterwards, a somewhat steeper forest path leads back to the car park

Seebachtal | Mallnitz leicht ↔ 11,5 km ⌚ 3:00 h

An almost flat family-friendly trail, starting directly in the village centre, with views of the snow-covered 3000-metre peaks of the Ankogel group and the Stappitzer See lake in the Carinthian Seebachtal in the outer zone of the Hohe Tauern National Park in the municipal area of Mallnitz. The lake is located at an altitude of 1273 metres above sea level.

Rundwanderung Flattach leicht ↔ 4,8 km ⌚ 1:15 h

The family-friendly circular trail leads along the cycle path along the Möll towards Außerfragant and then through the fitness trail back to the starting point. Experience the calming atmosphere as you walk along the Möll and admire the beauty of the surrounding nature. For the little adventurers, there is a playground along the way

Rundwanderung Stausee | Stall leicht ↔ 11,5 km ⌚ 3:00 h

Family-friendly circular hike around the lake in the municipality of Stall in Mölltal. The hike takes you along the cycle path from Flattach to Stall to the "Gössnitzstausee". Enjoy the picturesque landscape along the lake and be inspired by the natural beauty of the surroundings.
